

A wide-angle photograph of a winter landscape. In the foreground, a large, leafless tree is heavily laden with snow, its branches creating a complex web against the sky. To the right, a stone bridge with two prominent towers spans a small body of water, which is also covered in snow. The background shows more snow-covered trees and a hazy, overcast sky. A few small figures of people can be seen walking on a path in the distance. A dark green rectangular box is overlaid on the left side of the image, containing white text.
